2015 has seen another successful SPACExpo.

We would like to thank our local businesses and organisations for their continued support and sponsorship. Please support the businesses that support our SPACExpo.

Information on Guides in Yass
Membership of Guides means that your daughter will belong to the largest voluntary organisation for girls and women in the world – over 10 million members in more than 136 countries. Whether a girl is going away for the first time, building a treehouse or cooking a pizza she has the opportunity to develop skills and confidence. The Australian Guide Program focuses on self-development in the areas of practical skills, physical development and relationships with people. Guiding can give girls a head start in tomorrow's world. Guides learn leadership, negotiation and teamwork skills, and to be confident and self-reliant, these are all much sought after attributes by employers and higher education facilities. The Australian Guide Program offers both informal and formal awards to encourage guides to challenge themselves with new skills and experiences.

Principal's Message
Welcome back to term 4! Tomorrow, four of our primary students are competing in the State Athletics Carnival at Homebush in Sydney. Rubin, Jake, Breea and Milly are competing in the relay race and are representing schools from across our district. This is a huge achievement and they should be especially proud of their effort and achievements.

Over the coming weeks, myself or Mrs Dowling will be calling parents to talk about our canteen. The canteen is run on a volunteer basis and is a real asset to our school community. If you can help out in anyway, even for just one day a term, I would encourage you to contact either the office or Tess Johnson the Canteen Manager.

This term, students will be able to take part in the annual swim scheme. This vital program is a Department of Education initiative, with lessons being provided free of charge to students. The cost associated is for entry to the pool only. This year, because of our school size we are able to offer places to all students in years K -6. A permission note has been sent home this week and will need to be completed and returned to school as soon as possible.

As previously discussed at a P&C meeting, all students will be involved in an end of year production to be held on 20th November. This will mean that there will be no ‘performance’ during the end of year presentation evening. Students have been rehearsing regularly and are looking forward to performing in front of the wider community.

Term 4 Week 2

“Together we are safe, respectful learners working hard to achieve success”
(Continues from front page)

This week we also welcomed our new kindergarten students (and parents) for 2016. We have already got 18 confirmed enrolments, which is wonderful. However if you know of anyone who is intending to enrol their child in 2016, could you please encourage them to contact the office as soon as possible so we may finalise classes.
