Thank you to all those parents that have returned their expression of interest for the 3/4 excursion. As we have received enough interest the excursion will be going ahead. Final details and information will be sent home shortly.

This year all students are able to access the annual swim school program. The program will cater for all abilities from K to year 6. This program is supported and paid for by the NSW Department of Education. The only cost associated is for the pool entry each day.

As the weather is warming up (finally), students are reminded to bring, and importantly, wear a school hat whilst outside. Students who do not bring a hat to school will be required to play in the shaded areas at lunch time and at recess. As with all clothing, students names should be clearly marked. Hats are available for sale for $13 from the office.

One of the many positives about our school is the huge amount of volunteers, that dedicate time and effort to initiate, deliver and maintain a variety of programs to support the students. We would like to thank all of these people by inviting them to a morning tea to be held on the 10th November, in the hall.

Preparations, for the school performance are well underway. This year the school performance will be separate to the presentation evening, and will be held on the 20th November in the shire hall, starting at 5pm.

Peer Support Program

Last week our years 5 and 6 students paired up to present the first of our whole school Peer Support Lessons. The Peer Support Program is designed to foster the physical, social and mental wellbeing of young people and their community. The first part of the program focuses on relationships and building connections. Within the first lesson groups took time to get to know each other and made agreements on how each group could work well together.

The 5/6 Peer Support Program Leaders were organised and taught their groups well!
