Principal’s Message

The COLA is done! And what a difference it has made to our school. Once again, on behalf of the school I would like to thank all those that played a part in its completion. Including the P&C and Veolia Mulwaree Trust.

This evening I will be attending an information session at the Gunning Early Learning Centre. This information evening will be about school readiness and transitioning students to kindergarten in 2016. I would encourage all those parents who have a child starting in 2016 to attend. The evening will commence at 7pm tonight.

It seems that winter is truly upon us. As the mornings are getting colder it is important that children come to school with suitably warm clothing. School jumpers are available from the uniform shop on Friday mornings from 9:30am—10:00am, or alternatively an order form can be sent home from the office.

Last week Breea Waters competed in the regional cross-country at Cambewarra. Well done on making it to this very competitive level!

From this week, Mrs Kalli Rajic will be working at our school for four days a week. A significant part of her time will be used to “split” our primary class into two smaller classes. Mrs Rajic will be taking the years 5&6 students in the library.

This Thursday many of our primary students will be traveling to Goulburn to participate in the combined rehearsal for the GCOPS concert. Students will be travelling by bus and will be accompanied by myself.

Mr. Danny Scott
Principal

“Together we are safe, respectful learners working hard to achieve success”
End of Term

As mentioned the 26th June is the last day of term. Third Term starts for students on Tuesday 14th July.

Canteen News

We are introducing a new over the counter item this week. Milo stars can now be purchased either as part of a lunch order or over the counter for $0.60 per packet. As of next week the jelly sticks will no longer be on the menu so remind your children that this Friday will be the last chance to purchase them. I am searching for a replacement jelly item that meets the guidelines. Also, just a reminder that the last Friday of term will be a RED food day and sausage sizzle instead of the regular hot food menu. A note with menu items and prices will be sent out closer to the end of term. **Volunteers for canteen.** We are in desperate need of more volunteers for canteen so if you have a Friday to spare we would love your help, Remember grandparents are great volunteers too! If you can help please email me at tessj987@gmail.com or ring the school office.

Stephanie Alexander Kitchen Garden Program

This term 3/4/5/6 have been creating soup with pumpkin and herbs from the garden and another soup with red lentils from our pantry. Our students have also been making different kinds of breads, dampers and griddle bread using herbs from the garden. They cooked honey chicken with bok choy (from garden), fried rice and a fruit crumble. We are going to finish the term by cooking some pizza! The staff and students would like to thank Ben and Andrew from the Gunning Butchery who donated the chicken. Also our volunteers who came every week to help with lots of patience and good humour—Liz, Leah, Irene, Melinda, Maree, Rhonda, Tess, Sharon and Cheryl. Thank you to everyone who donated food and equipment for the program.

School Photo Day

School photos will be taken next Tuesday 9th June. Individual photo envelopes were sent home this week with all the students. The children are to wear their winter uniform. Sibling photo envelopes are available at the office.

2016 Kindergarten

An information evening will be held at the Gunning Early Learning Centre tonight 3rd June at 7pm.

Assembly

Years 3-6 will be performing an item at assembly on the 12th June at 2.45pm. The whole school attend all the assemblies. Everyone is welcome to attend.
