Principal’s Message

Last Monday some of our primary students had the opportunity to perform at the Sydney Opera House. This was an amazing chance to participate in one of NSW Public School’s largest musical events. Our students were exceptionally well behaved and enjoyed this opportunity. It made for a very long week, given that they did not return to Gunning until 1:00am on Tuesday morning. Well done everyone who participated in this event.

Next Wednesday, students from Dalton, Bowning and Wee Jasper Public Schools will be coming to our school to participate in a combined Creative and Performing Arts Day. This day has been designed to allow students an opportunity to meet and interact with a greater variety of other students their own ages. It also allows us to share the expertise of teachers in our area. The four schools are hoping that this will be the start of many such events in the future.

Thanks to the P&C and the support of many of our families we have recently purchased twelve IPads to be used in all of the classrooms. These devices enable our students to be exposed to the latest technologies and methods of learning. Students and Teachers alike are looking forward to integrating this technology into everyday lessons.

Nits are unfortunately a very common problem in many (if not all) schools. Recently we have been notified of several incidents across the entire school. Please take the time to check your child’s hair and treat if necessary. It is also a good idea to thoroughly wash pillows, cushions and bedding that your child regularly uses.
