Principal's Message

This week we unveiled the finished garden in a special assembly to mark the occasion. What a great job the primary students did catering for the event, by showcasing the skills they have learnt in our kitchen garden program with Mrs Dickson and all our wonderful community volunteers. The students have really enjoyed playing, interacting and generally enjoying the new garden area. We are all very excited to see how it will transform in the years to come as the plants mature and grow. I would like to thank everyone who donated time, money and effort to making this possible.

It has certainly been an exceptionally busy term. All teachers are working hard to ensure students are provided with a range of opportunities whilst maintaining a strong focus on classroom learning.

This term particularly, we have had many students fall ill to a variety of conditions and sicknesses. It is important to remember that if your child is sick, please keep them at home until they are recovered. It is essential that we try to limit the spread of colds and flus. And of course, as always, please send a note (or a phone call) to the class teacher explaining any absences.

Tonight, we are holding an information session for those parents who are wishing to enrol their child next year in Kindergarten. If you, or somebody you know, would be interested in attending, please feel free to come along to the school library at 6pm.

And Finally, as this will be the last Grapevine for the term, I would like to wish everyone a safe and happy break and will see you all in Term 4.

Mr. Danny Scott
