Principal’s Message

Well done to all those that competed, this week, at the Regional Swimming Carnival at Dapto. Making it to this level is a real achievement in itself. A special mention needs to go to our relay team. They managed to swim an amazing 14 seconds faster than their time at the district carnival. And… they qualified for state!

It was great to see so many parents and family members at our meet and greet BBQ. It was a wonderful way for parents and staff to chat about the school, students and the year ahead.

As mentioned previously, this year parents are asked to contribute $10 per child per term. For 2016, this money will go directly to funding a mathematics textbook and specialised music lessons. Parents can pay this contribution either termly or as a yearly lump sum. You will find a note attached to this week’s newsletter.

Our breakfast club has certainly continued to grow and be very popular with students. Thank you to all those families that have brought in bread, milk or condiments for our breakfast club. Any further donation can be brought into the office. Similarly, if you would prefer to make a financial donation please send money into the office or a gold coin donation can be sent with children to be placed in the container in the breakfast room.

“Together we are safe, respectful learners working hard to achieve success”
Cross Country
The Burrinjuck Learning Community Cross Country will be held at the Gunning Show ground on the 29th of April. A permission note has been sent home and needs to be returned ASAP. Training will be held on Fridays during sports time. Please ensure that your child wears suitable footwear for running.

2nd March 2016

Parent Contribution 2016

Dear Parents,

From this year, we will be asking parents to contribute $10 per child per term. For this year, this contribution will help to fund both the mathematics textbook used by every student and a specialized music program facilitated by Miss Keva Abotomy. In order to cover the full cost of these programs both the P&C and the school will be contributing significantly.

Money can be paid as either a yearly lump sum of $40 or as termly payments of $10.

Danny Scott
Principal
